

# Town of Dummer

75 Hill Road

Dummer NH 03588

## Exploratory Dummer Community Forest Committee

The Dummer Select Board would like to invite interested parties to join an Exploratory Dummer Community Forest Committee. The goal would be to have the committee take charge of the management of any lands designated as town forest. This would include things like timber harvesting, trail construction, etc. If you are interested in serving on this committee, please email [townofdummer@gmail.com](mailto:townofdummer@gmail.com).

The Milan Community Forest Committee has reached out to us and is very willing to help get the ball rolling. Their website is <https://www.townofmilan.com/community-forest>. They would be happy to have you sit in on one of their meetings.
